Prompt Image Generation

1. **Emotional Storytelling (DALL-E)** https://chatgpt.com/

- **Prompt**: The exact moment a young girl from a small Indian village enters Mumbai city for the first time, she peeps out of a cab, with a twinkle in her eye, her hair billowing by the breeze, her arms on the windowpane, face peeping out with pure overwhelmed joy, sea-link bars in the background, at the golden hour time (sunset), cinematic photography style, emotionally resonant, warm golden hour light.

2. **Historical Narrative Drama (DALL-E)**

- **Prompt:** The night before a great battle, a Maratha warrior queen sits alone on a fortress rampart, polished armor reflecting moonlight, a map of enemy territories spread before her, her expression calm yet resolute, a single oil flame flickering in the wind, distant campfires of enemy armies visible in the dark valley far below, dramatic chiaroscuro lighting, epic historical painting style, oil on canvas texture.

3. **Wildlife Photography (NanoBanana/Gemini 3)** https://gemini.google.com/app

- **Prompt**: A snow leopard walking on a Himalayan cliff edge at dawn, shot with a Canon EOS R5, 500mm telephoto lens, f/2.8 aperture, shallow depth of field blurring the snow-covered mountain range behind it, breath visible in the freezing air, piercing green eyes staring directly at lens, National Geographic photography style, sharp subject with creamy bokeh background. The leopard looks fierce yet calm, relaxed in it's own territory, sharp whiskers, with a confident walk.

4. **Street Photography Mastery (NanoBanana/Gemini 3)**

- **Prompt:** A monsoon evening in Mumbai city where clay idols of Lord Ganesha are being made, shot with a Leica M10, 35mm lens, ISO 3200, documentary street photography style, a craftsman's paint-stained hands carefully applying gold leaf to a Ganesha idol's crown, raindrops visible on the workshop's tin roof, warm tungsten bulb light inside, grainy film texture, authentic unposed moment, Henri Cartier-Bresson composition style. Focus on the idol's crown, show multiple different sized and colourful idols in the background that are out of focus, wet street outside the shop.

5. **Dynamic Wildlife Scene (Crayion AI)** https://www.craiyon.com/en

- **Prompt**: A Bengal tiger mid-leap across a rushing waterfall in a dense jungle, water droplets frozen in slow motion around its powerful muscular body, emerald vines hanging overhead, shafts of sunlight piercing the canopy, intense amber eyes locked forward, tail arched high, lush hyper-detailed jungle environment, dramatic action composition.

6. **Rembrandt Lighting Drama (Vheer)** https://vheer.com/app/text-to-image

- **Prompt:** An ancient Indian mathematician working by candlelight in a stone chamber, Rembrandt lighting casting deep dramatic shadows across his focused face, scattered palm leaf manuscripts covered in Sanskrit equations surrounding him, a single oil lamp illuminating equations carved into the stone wall, oil painting texture, warm amber tones, intense scholarly atmosphere, focus on the lamp and bokeh the stone chamber.
